Dear Graduating Student,

I have the immense pleasure to know that you are attending this 19th Convocation of East West University (EWU) which will be held on 17 February 2020 after completing the requirements for awarding the degree.

This time 2,111 students of EWU will graduate and we are expecting that they will attend the Convocation Ceremony. It will be difficult to accommodate this large number of graduating students, guardians, teachers, officials, dignitaries and other distinguished guests in the premises of the University during the 19th Convocation of East West University fully. We can accommodate just one parent-either the father or the mother-to the Convocation Ceremony, and only can hope that you will be satisfied with this arrangement.

Seating arrangement for one of your parents (father/mother) will be made in the University Auditorium, Faculty Lounge and S. M. Nousher Ali Lecturer Gallery. There will also be an arrangement of live telecast of the Convocation Ceremony for your attending parents there through a large screen LED Monitor/Multimedia Projector.

This is the best that could be done within the limitations and please bear with us.

We regret the inconvenience that our space constraint might cause you.

Sincerely yours,

M. M. Shahidul Hassan
Vice Chancellor
